

PETER NGUYEN

Digital Designer specialising in graphic designer and videography

I'm a digital designer specialising in videography and research, who also experience in illustration and.

With every project I worked on, I always tried my best to put my voice out there and my biggest goal is to have someone appreciate my work and also hope that my project could make someone feel happier and navigate easier in life.

EXPERIENCE

Media Assistant (Internship)

@ MC&T Financial Solutions (December 2024 - February 2025)

- Collaborated with my supervisor to brainstorm a comprehensive marketing plan.
- Edited a podcast series focused on financial solutions for Vietnamese people living in Australia.
- Designed the company's profile and promotional banners to enhance brand visibility.
- Assisted with various quick tasks to facilitate meet-and-greet events during the holiday peak.

Video Editor (Internship)

@ Australian Institute of Physics (November 2024 - December 2024)

- Working on the project to celebrate the 50th anniversary of the institute.
- Editing the official anniversary video.
- The final version was screened at the anniversary event, serving as a key celebration highlight.

Content Writer

@ Excelsior Camp (November 2019 - October 2020)

- Write content for the group's Facebook Page.
- Coordinated communications between multiple departments.
- Doing charity and making a public Photo booth.

Freelance Content Creator

@ YouTube & Instagram (November 2018 - now)

- Produce personal content on multiple platforms.
- Learn to write film reviews/analyses on Instagram Stories and YouTube videos.
